About Us

Ceramic Tiles have been an integral part of mankind since immemorial. Ceramic tiles have survived the rise and fall of civilization and with each upheaval have added a new dimension to their properties. Today they are an integrated part of modern living combining the winning qualities of beauty and value for money.

Legend Ceramic has united the toughness of ceramic tiles with modern technological advances and customer aspiration to produce a range that is vast in choice. With over a decade experience in this field and in depth knowledge of markets both in India and abroad, the promoters of Legend Ceramic have set up a world class integrated production facility to manufacture and supply high quality ceramic tiles. The designs, size, colours and surface finishes will be made keeping in mind the needs of the Indian as well as overseas consumers. Over the years, the company has built a solid customer base and a reputation both for itself and its product. Trust, quality and reliability have been the watchwords of Legend Ceramic and the company plan to continue fulfilling the expectation of their vast array of customers. Total customer satisfaction via adoption of Quality Management Systems in all spheres of activity guarantee adherence to pre-decided standards. The company nurtures each relationship be it with the trade, consumers or suppliers. This has established Legend Ceramic as a reliable and trust worthy entity capable of overcoming market challenges.

Just like their historical counterparts, Legend Ceramic will be around to witness future market development and participate in remarking the personality of the humble ceramic tiles.
